The Workmen's Circle/Arbeter Ring of Northern California presents:

Allied Agendas for Troubling Times

A TALK, A PANEL & SONGS

Progressive movements today are more diverse and numerous than the epic social justice and environmental movements of the '60s and '70s. How, then, do we build alliances to achieve the shared goal of a more just and environmentally sustainable society and world in these increasingly challenging times?

Join us for a long-view perspective by historian Tony Michels, energized singing with Jeanette Lewicki, and a panel discussion with activists from leading Bay Area advocacy organizations.

Admission is free; space is limited. To reserve a spot, go to: <https://www.facebook.com/workmenscirclenorcal/> or email dmscott01@yahoo.com
